

Prénom : _____

Date : _____

Je classe les quadrilatères.

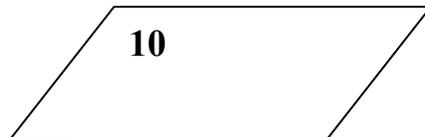

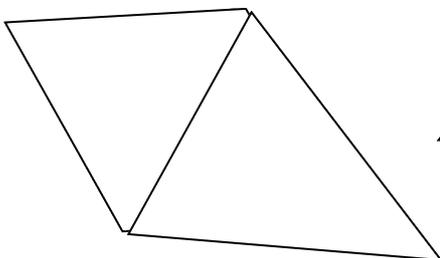

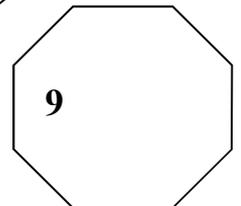

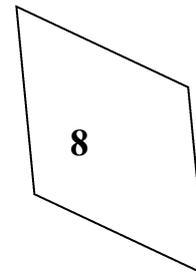

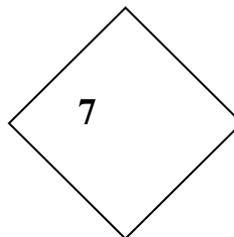

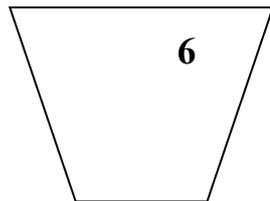

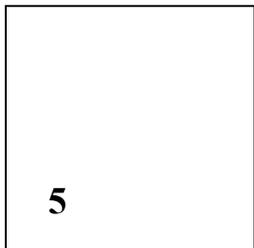

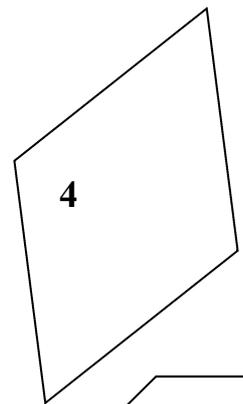

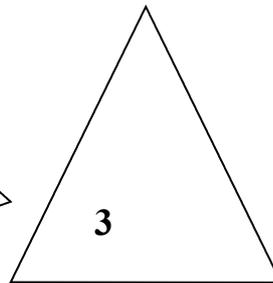

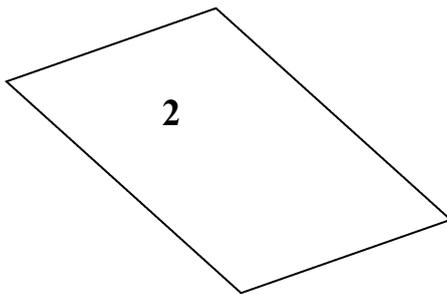

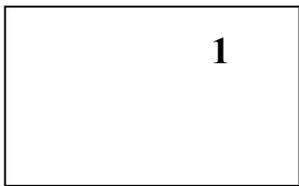

Dans chaque forme, écris

P si c'est un parallélogramme

L si c'est un losange

R si c'est un rectangle

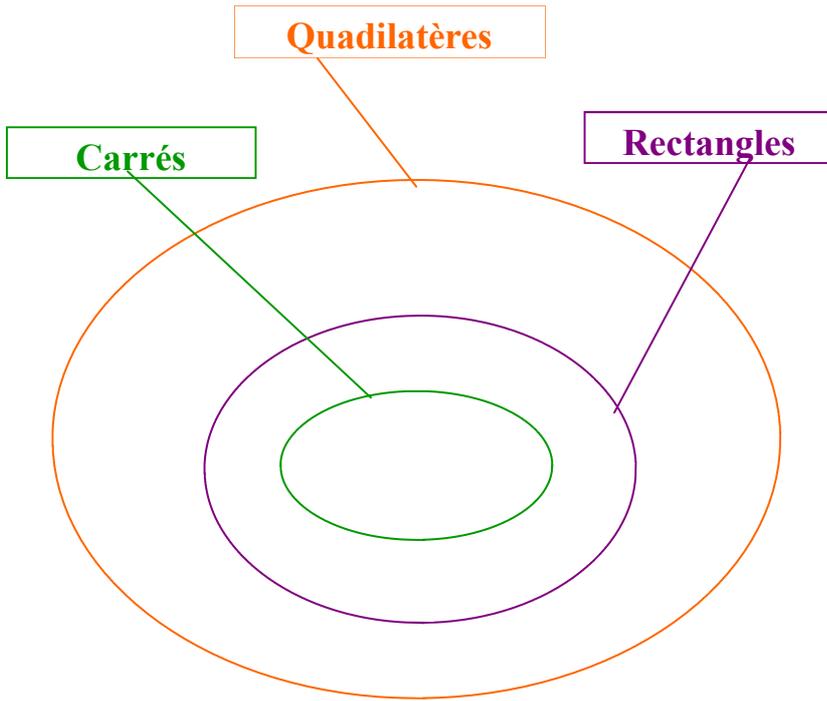

C si c'est un carré

Prénom : _____

Date : _____

Je classe les quadrilatères.

Un quadrilatère est une forme qui a 4 côtés.

Le rectangle a toujours 4 angles droits.

Le carré a toujours 4 angles droits et 4 côtés de même mesure.

Dans chaque forme, écris
Q si c'est un quadrilatère
R si c'est un rectangle
C si c'est un carré
